

Our Christian value this term is 'Friendship'.

As scientists:

We will continue to learn about plants this term. Looking closely at growth and how they get their nutrients from the soil. We will observe as our plants grow over time and record their growth weekly.

As historians:

We will be learning about Brunel, who he was and when he lived. We will explore the problems he faced when building the Thames Tunnel and the Great Western Railway. We will learn about the significance of the SS Great Britain and the Suspension Bridge as well as Brunel's legacy in Bristol and around the world.

RE

We will be learning about the special times that are celebrated by different religions around the world. We will look at Diwali, Eid and Hannukah.

As readers and writers:

We will be looking at the book 'The Journey Home' which has a strong message about global warming. We will practise lots of different writing skills and build up to writing a persuasive letter.

We will also use the book 'Wolves' to write a non-chronological report. Along the journey, we will look at plural word endings, correct use of tense and conjunctions to join sentences.

As mathematicians:

We will be learning about:

Position & Direction

- Describe position
- Describe movement & turns
- Make patterns with shapes

Mass, Capacity and Temperature

- Explore, measure and compare mass
- Explore, measure and compare capacity & volume.
- Use units of measure: g & kg and l & ml
- Explore temperature

As computer scientists:

We will be learning how to create quiz questions using the program ScratchJr. These designs will be based on blocks of code.

As athletes:

We will be learning how to play Rounders by throwing and catching the ball for fielding and hitting the ball. We will also practise some football skills such as dribbling and passing.

As musicians:

We will be learning the songs for the 'Year 2 Summer Sing' an building towards a performance.

Year 2 Curriculum Overview Term 6

As designers:

We will be designing and making animal homes out of everyday objects and materials as well as having a go at Food Tech and making bread.

PSHE

We will be exploring the topic of 'Changing Me' which looks at how we grow as humans from young to old and what this entails.
