

Year 6 Spellings - Term 3

*Due to time missed in school, we are covering spelling patterns from Y5 as well as those needed in Y6. In school, we will be practising these Y5/6 spelling patterns as well as high frequency words, geography and history related vocabulary and words from previous SATs papers. There will not be a weekly spelling test but the children are expected to practise using Doodle where appropriate or on paper (when not Doodle related) to support the work we are doing with them in school. **Nessy** – those who do Nessy should practise spelling only the **first five** words in each list.*
