

Our Christian value this term is 'Responsibility'.

As scientists:

We are learning about animals and humans. We will identify the names of different body parts as well as our exploring our senses.

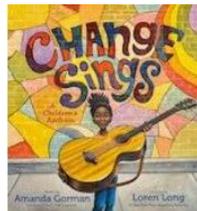

As historians:

We will be learning about Mary Anning including finding out who she was and where she lived. We will find out about her early life and her important discoveries as an English fossil collector and palaeontologist.

RE

We will be focusing on Christianity and discussing the question 'What do Christians believe God is like?'

As readers and writers:

We will be focusing on the poem 'Change Sings' as part of our whole school English topic.

In our writing we will be focusing on a number of new skills, including, conjunctions ('but' and 'and'), pronouns, verbs and adjectives. We will be looking at what type of words these are and beginning to use them in our writing.

Year 1 Curriculum Overview Term 1

As artists and designers:

We will be focusing on the work of Andy Goldsworthy and using natural materials to make artwork which includes spirals and circles as well as creating sculptures.

PSHE

This term's PSHE is called 'Being Me in my world'. We will talk about how we are special, how we belong to our class and our rights and responsibilities.

As mathematicians:

We will be learning about:

Place value

- Counting forwards and backwards
- Comparing numbers / more and less
 - Ordering numbers

Addition

- Number bonds to 10
- Addition facts and part/whole models

As computer scientists:

We will be learning how to use a computer and improving our keyboard skills.

As athletes:

We will be learning how to play handball with Bristol Sport (Monday). We will also be practising a range of football skills such as dribbling and passing (Thursdays).

As musicians:

We will be looking at different songs, identifying rhythm and tempo and comparing.
