

Equal Opportunities and Special Educational Needs Policy

Statement of Intent

We will ensure that our service is fully inclusive in meeting the needs of all children, particularly those that arise from their ethnic heritage, social and economic background, gender, ability or disability.

Our setting is committed to anti-discriminatory practice to promote equality of opportunity and valuing diversity for all children and families.

At NAP Club we provide an environment in which all children, including those with special educational needs, are supported to reach their full potential.

Aim

- We provide a secure and accessible environment in which all our children can flourish and in which all contributions are considered and valued.
- We include and value the contribution of all families to our understanding of equality and diversity.
- We provide positive non-stereotyping information about gender roles, diverse ethnic and cultural groups and disabled people.
- We improve our knowledge and understanding of issues of anti-discriminatory practice, promoting equality and valuing diversity
- We make inclusion a thread that runs through all of the activities of the setting.
- We have regard for the Dcsf Special Educational Needs Code of Practice (2001).
- We ensure our provision is inclusive to all children with special educational needs.
- We provide practitioners to help support parents and children with special educational needs (SEN).
- We identify the specific needs of children with special educational needs and meet those needs through a range of SEN strategies.
- We work in partnership with parents and other agencies in meeting individual children's needs.
- We monitor and review our policy, practice and provision and, if necessary and adjust.

The legal framework for this policy is:

- The Equality Act 2010 • Children Act 1989, 2004
- Special Educational Needs and Disability Act 2001

Method

Special Educational Needs

- We designate a member of staff to be Special Educational Needs or Inclusion Coordinator (SENCO/INCCO) and give his/her name to parents. Our SENCO/INCCO is Mrs Kathleen Williams, Play Leader.
- We ensure that the provision for children with special educational needs is the responsibility of all members of the setting.
- We ensure that our inclusive admissions practice ensures equality of access and opportunity.
- We work closely with parents of children with special educational needs to create and maintain a positive partnership.
- We provide a Complaints Procedure.

- We monitor and review our policy annually.

In order to meet our legal duties, promote equality and inclusion in our setting and value diversity we follow these procedures:

Admissions

- Our setting is open to all members of Northleaze Primary School and nursery.
- We provide information in clear, concise language, whether in spoken or written form.
- We provide information in as many languages as possible.
- We base our admissions policy on a fair system.
- We ensure that all parents are made aware of our equality and diversity policy and all other relevant policies.
- We do not discriminate against a child or their family, or prevent entry to our setting, on the basis of colour, ethnicity, religion or social background, such as being a member of a travelling community or an asylum seeker.
- We do not discriminate against a disabled child or refuse a child entry to our setting for reasons relating to disability.
- We develop an action plan to ensure that all individuals can participate successfully in the services offered by the setting.
- We take action against any discriminatory behaviour by staff or parents. Displaying of openly discriminatory and possibly offensive materials, name calling, or threatening behaviour are unacceptable on or around the premises and will be dealt with in the strongest manner.

Employment

- Posts are advertised and all applicants are judged against explicit and fair criteria.
- Applicants are welcome from all backgrounds and posts are open to all.
- We may use exemption clauses in relevant legislation to enable the service to best meet the needs of the community.
- The applicant who best meets the criteria is offered the post, subject to references and checks by the Disclosure Baring Service (previously Criminal Records Bureau). This ensures fairness in the selection process.
- All job descriptions include a commitment to valuing equality and recognising and respecting diversity as part of their specifications.
- We monitor our application process to ensure that it is fair and accessible.

Training

- We seek out training opportunities for staff and volunteers to enable them to develop anti-discriminatory and inclusive practices, which enable all children to flourish.
- We ensure that staff are trained in First Aid and are confident and fully trained in administering relevant medicines and performing invasive care procedures as appropriate.
- We review our practices to ensure that we are fully implementing our policy for promoting equality, valuing diversity and inclusion.

Environment

The environment should be accessible for all visitors and service users. If access to the setting is found to treat disabled children or adults less favourably, we will try to make reasonable adjustments to accommodate the needs of disabled children and adults.

We do this by:

- making children feel valued and good about themselves.

- adjusting the environment and resources to accommodate a wide range of learning, physical and sensory impairments (where possible).
- avoiding stereotypes or derogatory images in the selection of books or other visual materials.
- celebrating a wide range of festivals.
- creating an environment of mutual respect and tolerance.
- helping children to understand that discriminatory behaviour and remarks are hurtful and unacceptable.
- ensuring that children speaking languages other than English are supported in the maintenance and development of their home languages.

Valuing diversity in families

- We welcome the diversity of family lifestyles and work with all families.
- We encourage children to contribute stories of their everyday life to the setting.
- For families who speak languages in addition to English, we will develop means to ensure their full inclusion.

Food

- We work in partnership with parents to ensure that the medical, cultural and dietary needs of children are met.
- We help children to learn about a range of food, and of cultural approaches to mealtimes and eating, and to respect the differences among them.

Meetings

- All families who wish to may be involved in the running of the setting by attending termly Committee meetings.
- Information about the meetings is communicated in a variety of ways – written via email and Ipal, verbal and in translation (if required) - to ensure that all parents have information about and access to the meetings.
- To ensure this policy and procedures remain effective we will monitor and review them annually to ensure our strategies meet the overall aims to promote equality, inclusion and valuing diversity.
- We provide a Complaints Procedure.
