## WEEKLY NEWSLETTER

T3 Week 1: Friday 10th January 2025

### WELCOME

I would like to take this opportunity to warmly welcome everyone back to our first week at school. I sincerely hope you all had a holiday full of love, kindness and celebration.

The first week has gone by quite quickly but it has been really lovely seeing all the children back in school. On Tuesday, we opened the morning with a whole school assembly focused on respect. Our Christian value this term is so important for all elements of life and is something we try to instil in every child.

On Wednesday, our new Jigsaw piece for PSHE was launched which considers Dreams and Goals this term. All children throughout the school will explore how important it is to have a dream and dreams can only be achieved through achieving smaller goals.

I hope you all have a restful weekend and look forward to our first full week back next Monday.

## CHRISTIAN VALUE: RESPECT

Respect is at the heart of Christian teaching and is a cornerstone of our school community. It reflects Jesus' call to "love your neighbour as yourself" (Mark 12:31). In our friendships, respect means treating others with kindness, listening to their thoughts, and valuing their feelings. It builds trust and helps us to grow together as a community of love and support.

In learning, respect encourages us to listen to teachers, try our best, and celebrate each other's achievements. By respecting the learning environment, we create a space where everyone can thrive and discover their God-given talents.

Respecting ourselves is equally important. When we recognize our worth as children of God, we let our light shine brightly for all to see. By living with respect for ourselves and others, we reflect God's love and help make our school a place of peace and joy.

# WEEKLY PRAYER

Dear God,

We come before you today as parents and children, asking for your guidance and wisdom in our relationship as a family. We recognise the importance of respect in our interactions with one another and we seek your help in fostering a spirit of mutual respect within our household.

May we lead by example, showing respect for our children's thoughts and feelings, and treat them with kindness and understanding. Help us to listen attentively and to communicate with love and grace.

Amen

### Nurture and Wellbeing Workshop

At Northleaze, we are on a journey to become a Nurture accredited school. Whilst we have always taken a nurturing approach to behaviour, relationships and learning here, becoming a fully accredited Nurture school means we prioritise Nurture and embed it as apart of our culture.

You may have seen our new nurture room which is part of this work we are doing.

More information will follow but we would like to invite you in on Friday 31st January to learn more about our nurturing culture and how this can impact on home life with a focus on wellbeing and mental health.
